Country Preferences

Choose a **MINIMUM of 9 countries**. Number your choices in order of preference – (1 for 1st choice to 9 for 9th choice, etc.)

Mark an “X” beside any country that you or your parents would not accept as a placement, and note the reason (e.g. political instability, concern for personal safety, etc) beside the name of the country in each case.

As it is not always possible to place all students in the country of their preference, some placements may be determined by lot. Also, exchange agreements may not yet have been confirmed with some of the countries listed below, and exchanges with other countries could become available.
